MoRTH Letter.pdf (713kB)

Dear Sir/ Madam,

With a view to reducing road accidents and consequent injuries / fatalities the Ministry of Road Transport and Highways has adopted a multi-pronged approach wherein all stakeholders are being involved in the planning and implementation of road safety measures. In this regard, a one day National Workshop on the "Road Safety for Vulnerable Road Users" is being organized by MORTH along with Asian Institute of Transport Development (AITD) on May 31st, 2019 from 10:00 am to 05:00 pm at Hotel Sheraton Grand, Raja Bahadur Mill Rd, Sangamvadi, Pune, Maharashtra.

2. During the workshop, subject matter experts have been invited for presentation and direction on the following themes:

- Safety Status of VRUs in India and GoI Initiatives for Improvement
- Case Studies of Road Accidents involving VRUs in Indian Cities
- Provisions for VRUs under the Law and needed Reforms
- A look at the Safety provisions for PwDs in Urban Space
- Engineering treatments on Road Junctions for VRU Safety
- Initiatives for VRU Education and Awareness
- Improving Star Rating for VRUs on Indian Roads; Some Case Studies
- ITS for Road Safety

workshop is expected to be relevant for your organization as it would focus on key issues concerning vulnerable road users including pedestrians, two wheeler, cyclist and non-motorized vehicle.

4. It is requested to you to inform all the stakeholders i.e. the officers from your organization, representative of contractor/consultant etc. under your jurisdiction for their active participation in the above stated workshop. It is also requested that the nomination of the participants may be sent at the earliest but not later than 24th May 2019. Details of the nominated representative may kindly be intimated to Shri Sandeep Kumar, Manager AITD at asianinstitute.ncrs@gmail.com contact no. 9911517560, who is coordinating the arrangements.

Please find the attachment.

With regards
Road Safety Cell (MoRTH)
