Sub: **Webinar on "Sustainable Development of Green Highways in India" by Indian Roads Congress in cooperation with PWD, Govt. of Rajasthan on 24th & 25th September, 2021 at Jaipur on Hybrid Mode**

Sir,

As you are aware, the Indian Roads Congress (IRC) is the Apex body of Highway Engineers in the Country set up by the Central Government in consultation with the States in December 1934. IRC is working in close cooperation with Ministry of Road Transport & Highways. The principal objective of the IRC is to provide a National Forum from regular pooling of experience and ideas on matters relating to roads & road transport in India.

The IRC holds Annual Sessions/Seminars/Workshops every year on the topics concerning roads & road transport to provide a platform for discussion and sharing of ideas and experience and thereafter implementation of the same. These Sessions, Seminars and Workshops are held at various places in India.

I am glad to inform you that IRC is going to organize a Webinar on "Sustainable Development of Green Highways in India" in cooperation with PWD, Govt. of Rajasthan on 24th & 25th September, 2021 at Jaipur in Hybrid Mode.

The Green highways are a relatively new concept although the implementation of technologies involved in green highway design has been encouraged for many years. In green highways, focus should be given on proper planning & design to minimise adverse impact, selection of proper material/ construction methodology, conservation and ecosystem management, life cycle energy and emission reduction, recycle, reuse for renewable, overall societal benefits.

You are requested to kindly nominate a good number of Officers from your Department/Organization for participating in this Webinar. No registration charges will be charged by IRC for joining this webinar. The link of the Webinar will be available on IRC Website www.irc.nic.in.

You can also send the delegates list with e-mail IDs and Contact nos to IRC Office on e-mail IDs admn.irc-morth@gov.in or ircadm1934@gmail.com so that the Webinar link can be sent to them directly.

For co-sponsorship of this event, you may contact the following officers:

Shri Ajay Kumar
Section Officer
011-2617 1548
09999901610

Shri Rajneesh Katoch
ASO
